

## ABOUT COFFEY INTERNATIONAL DEVELOPMENT

Our world faces many challenges. More than ever, we need new approaches to support growth that delivers lasting social and economic development benefits and transforms people's lives.

Coffey International Development's specialist knowledge enables government, donor agencies, and private foundations to strengthen the building blocks of society and increase quality of life and living standards. It is our knowledge and experience which is helping to solve some of the toughest development challenges facing communities worldwide.

With four decades of experience and more than 1,500 development professionals, Coffey International Development is one of the world's most experienced and trusted international development consulting firms. Our range of clients includes AusAID, DFID, USAID, the Islamic Development Bank, the European Commission, the Asian Development Bank, the World Bank and the UN.
